

A yellow line graphic consisting of four points and three segments. The points are located at approximately (50, 530), (125, 60), (480, 780), and (920, 500) in a 1000x1000 coordinate system. The segments connect these points in the order: (50, 530) to (125, 60), (125, 60) to (480, 780), and (480, 780) to (920, 500).
