FAYETTEVILLE STREET STREETScape PLAN (PHASE ZERO)

Council Approved: ~\$1M approved in November 2025 to begin “Phase Zero” streetscape improvements

Streetscape Updates:

- Reconfigure or remove existing benches to free up pedestrian and business space
- Remove granite seatwalls that conflict with new walking zones
- Modify landscape beds (remove hard-to-maintain plantings; introduce public art in select areas)
- Reorient sidewalk zones to expand business frontage (e.g., outdoor dining) and shift walking paths closer to trees

Placemaking Enhancements (Select Blocks):

- New colorful furniture, public art, and wayfinding
- Focus on east 100 Block, east & west 200 Block, and east 300 Block

Timeline: Implementation targeted over the next year, aiming for completion by end of 2026

City Plaza (FY26–27 Earmarked Projects):

- Install large public art on two existing north-side pedestals
- Further study a small-to-medium band stage for City Plaza

FAYETTEVILLE STREET STREETScape PLAN (PHASE ZERO)

Streetscape Design: Proposed Changes

- Increase business zone to 8 feet to support larger dining tables.
- 8-foot walking zone between business zone & tree pits.
- Step-off zone reduced to 2.5 feet.
- Remove elements from the revised walking and furniture zones to increase flexibility.
- Tree pits extended to provide for plantings, define activation spaces.
