SINGLE TENANT NET LEASE MARKETING PACKAGE DISCLAIMER

Marcus & Millichap hereby advises all prospective purchasers as follows:

The information contained in this and any other marketing materials provided by Marcus & Millichap has been obtained from sources believed to be reliable.

However, Marcus & Millichap has not verified or conducted any due diligence, and will not verify or conduct any due diligence, regarding information communicated to potential buyers. Marcus & Millichap makes no promise, guarantee, warranty, or representation about the accuracy or completeness of any information and expressly denies any obligation to conduct a due diligence examination of this information or of any property for any buyer.

Any projections, forecasts, opinions, pro formas, assumptions, estimates, or expressions of potential future performance used in this or any other marketing material provided by Marcus & Millichap are for example only, represent only what might occur, and do not represent the current, actual, or future performance of this property or tenant. The value to any buyer of any property depends on factors that should be evaluated by each buyer together with the buyer's tax, financial, legal, and other professional advisors (collectively "Professional Advisors"). All buyers should conduct a careful, independent investigation of any property, tenant, and information deemed material to that buyer, to determine to their satisfaction the suitability of a particular property for each buyer's particular needs. All potential buyers should be comfortable with and rely solely on their own projections, analyses, and decision-making when purchasing this or any other property. Information provided by Marcus & Millichap, including this marketing material, is never a substitute for nor satisfaction of each buyer's responsibility to conduct thorough due diligence of this or any other property the buyer might purchase.

Like all real estate transactions, this potential investment carries significant risks. Each buyer and Professional Advisors must request and carefully review all information and documents related to the property and tenant which the buyer deems material to their particular needs. While the tenant's past performance at this or other properties might be an important consideration, past performance is not a guarantee or necessarily a reliable indication of future performance. Similarly, the lease rate for some properties, including newly-constructed facilities or newly-acquired locations, may be based on a tenant's projected sales with little or no record of actual performance or comparable rents for the area. Future performance and investment returns are never guaranteed. Tenants and guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of their lease. Cash flow may be interrupted in part or in whole due to market, economic, environmental, or other conditions. Regardless of tenant history and lease guarantees, every buyer is responsible for conducting their own investigation of all matters affecting the intrinsic value of the property and any lease, including the likelihood of locating a replacement tenant if the current tenant should default or abandon the property as well as the lease rates and other terms the buyer might be able to negotiate with potential replacement tenants, considering the location of the property, market rental rates, and the buyer's legal ability to make alternate use of the property.

All potential buyers are strongly advised to take advantage of their opportunities and obligations to conduct thorough due diligence and seek expert opinions as they may deem necessary. All potential buyers are admonished and advised to engage Professional Advisors on legal issues, tax, regulatory, financial and accounting matters, and for questions involving the property's physical condition or financial outlook.

By accepting this or any other marketing materials from Marcus & Millichap you agree to release Marcus & Millichap Real Estate Investment Services and its affiliated entities and agents, and hold them harmless, from any claim, cost, expense, or liability arising out of your purchase of this property.
