TENANT GUARANTEE & OVERVIEW

Xpress Wellness Urgent Care is an Oklahoma-based private company that provides treatment of non-life-threatening illnesses and injuries for children and adults. Xpress Wellness Urgent Care also offers occupational medicine, sports medicine, computerized radiology services, lab services, diagnostic testing and EKG services on site.

Xpress Wellness Urgent Care and Integrity Urgent Care operate under the same healthcare group, with Integrity serving as a brand and subsidiary division of Xpress Wellness. In May 2024, Xpress Wellness acquired several Texas-based urgent care clinics and rebranded them as Integrity Urgent Care to align with its integrated brand structure. As of mid-2024, Xpress Wellness itself was acquired by Goldman Sachs Alternatives, further solidifying the corporate relationship and ownership structure. Integrity Urgent Care now serves as the designated brand for Xpress Wellness's Texas-based clinic operations.

At all of their 80+ clinics, they offer urgent care services for non-life-threatening injuries. That's not all the company does for their patients. Their dedicated professionals take pride in providing comprehensive care that can help their patients recover from their illness or injury.

They also take pride in offering a wide range of services, from primary adult care to pediatric services, as well as work-related injuries and sports-related injuries. Accidents and illnesses happen at the most inopportune times, so it's important to have an urgent care provider that one can depend on. Their urgent care clinics are prepared to handle non-life-threatening injuries and illnesses whenever the need arises. Another great aspect of their walk-in clinic is that one can actually check in online to speed up the process. It's easy, convenient, and makes for a much better experience than any typical medical clinic. This option is available for all of their clinics, seven days a week!
