Bentonville, AR

Bentonville sits at the center of one of the nation’s fastest-growing regions, transforming over the past two decades from a quiet small town into a thriving hub of innovation, commerce, and culture. The city anchors the Fayetteville–Springdale–Rogers metropolitan area, which the Milken Institute ranked as the No. 1 Best-Performing Large Metro in the United States for 2026, citing its strong labor market, robust high-tech sector, and exceptional housing affordability. As home to the global headquarters of Walmart, Bentonville attracts an international network of suppliers, vendors, and Fortune 500 partners, fueling continual economic expansion throughout Northwest Arkansas.

Bentonville also stands at the forefront of medical education with the newly opened Alice L. Walton School of Medicine, an innovative institution centered on whole-health learning that welcomed its inaugural class in 2025 and sits on a state-of-the-art campus connected to Crystal Bridges Museum of American Art. Complementing its economic and educational strengths, the city is celebrated as the Mountain Biking Capital of the World, offering direct access to an extensive trail network from its vibrant downtown, along with cultural destinations including Crystal Bridges, The Momentary, and The Amazeum. This powerful blend of economic vitality, innovative education, cultural richness, and outdoor lifestyle continues to make Bentonville one of America’s most dynamic and forward-moving communities.
