Property Management

East Brown Cow and its affiliates comprise a real estate management, investment, and development firm based in the historic Old Port neighborhood of Portland, Maine. Since its establishment in 1989, the company's portfolio has grown to include 37 properties totaling more than 1.34 million square feet across the greater Portland urban area, including 31 buildings in the Old Port alone.

East Brown Cow seeks to create meaningful connections to the surrounding urban fabric through high-quality design and the carefully curated use of its properties while providing first-class management services to its tenants. All acquisitions and developments are grounded in the company's commitment to environmental stewardship, excellence in design and historic preservation, and the activation of publicly accessible spaces while exploring new technologies in urban real estate.
