LOCATION FEATURES

IDEAL LOCATION

PMC has unmatched location advantages sitting within the Port of Tacoma proper, with proximity to freeways, intermodals, Downtown Seattle and Seattle-Tacoma International Airport.

PORT MARITIME AND INDUSTRIAL (PMI) ZONING

PMI Zoning is one of, if not the most permissible zones in the Port of Tacoma, allowing for wholesale distribution, container and trailer storage, yard uses, manufacturing, and other uses.

HEAVY HAUL CORRIDOR LOCATION

St. Paul Avenue is part of the City of Tacoma's Heavy Haul Industrial Corridor, accommodating vehicles in excess of legal weight limits with a special permit.
