32,318 SF Freestanding Commercial Building Available February 1, 2027

Rare opportunity to lease a 32,318 SF freestanding commercial building in a highly accessible location with abundant on-site parking. Currently occupied by Crunch Fitness, the property will be available February 1, 2027.

Purpose-built for health and wellness, the facility features a large indoor swimming pool, expansive open workout areas, locker rooms, private offices, and flexible space that can be adapted to a variety of uses.

The building is ideally suited for:

- Fitness and athletic facilities
- Medical or rehabilitation users
- Physical therapy and sports medicine
- Specialty healthcare providers
- Educational or institutional users
- Other large-format commercial uses

Its freestanding design, excellent visibility, generous parking ratio, and flexible floor plan provide an exceptional opportunity for users seeking a high-quality facility with significant existing infrastructure.
