AREA REGENERATION

Wavertree High Street is set to benefit from a £2 million upgrade programme, funded through the Liverpool City Region Combined Authority's Key Route Network Levelling Up project. The scheme includes new controlled pedestrian crossings, resurfaced roads, improved drainage and enhanced accessibility throughout. Forming part of a wider £13.6 million investment across the region, these works are expected to increase footfall, improve the trading environment for commercial tenants and further strengthen property values along this established High Street corridor.

Works are scheduled to commence mid-2025 with an estimated completion period of 26 weeks.

Key improvements include controlled crossings at multiple junctions, upgraded dropped kerbs and tactile paving, full road resurfacing and comprehensive drainage upgrades.
