LOCATION DESCRIPTION

PITTSBURGH

Pittsburgh is the county seat of Allegheny County, located in southwestern Pennsylvania. It is the second-largest city in the Commonwealth of Pennsylvania and is known as both “The Steel City” for its more than 300 steel-related businesses and as the “City of Bridges” for its 446 bridges. The city features 30 skyscrapers, two inclines, and a pre-revolutionary fortification and the Point State Park at the confluence of the three rivers. Aside from steel, Pittsburgh has led in manufacturing of aluminum, glass, shipbuilding, petroleum, foods, sports, transportation, computing, autos, and electronics. After the deindustrialization of the 1980s Pittsburgh was left with many museums, medical centers, parks, research centers, libraries, a diverse cultural district, and has the most bars per capita in the United States. The area is home to 68 colleges and universities, the nation's fifth largest bank, eight Fortune 500 companies, and six of the top 300 U.S. law firms with their headquarters in the Pittsburgh Area, all which have helped Pittsburgh become the sixth best area for U.S. job growth.

ALLEGHENY COUNTY

Allegheny County is a county in the southwestern part of Pennsylvania (PA). It is the second most populous county in PA following Philadelphia County. Allegheny County was the first in PA to be given a Native American name, being named after the Allegheny River. Allegheny County was created in September of 1788 from parts of Washington and Westmoreland counties and originally extended all the way north to the shores of Lake Erie and became the “Mother County” for most of northwestern PA before the counties current borders were set. The area developed rapidly throughout the 19th century to become the center of steel production in the nation. The county is known for the three major rivers that flow through it, the Allegheny, the Monongahela, and the Ohio Rivers. Allegheny County is home to three National Sports Teams, multiple major top ten companies as well as various colleges and universities. The county consists of 4 cities, 84 boroughs and 42 townships.
