THE OFFERING:

Located in the heart of California’s Central Valley, 401 Glass Lane in Modesto, California presents a compelling industrial investment within one of the state’s most efficient logistics and distribution corridors. Modesto continues to attract regional and national operators seeking long-term operational efficiency without the cost burdens of bay area markets.

The ±11,919 SF industrial facility is thoughtfully configured to support modern industrial operations, offering a balanced mix of ±1,314 SF of professional office space and ±10,605 SF of clear-span warehouse. The property features low-maintenance landscaping, onsite parking, and dual ingress/egress points, allowing for efficient circulation and functionality. Warehouse highlights include five oversized grade-level roll-up doors (±16’ x ±16’), skylights throughout, insulation, 20’-22’ minimum clear height, mezzanine storage, sprinkler system (rating TBD), and assumed 225 AMP, 208Y/120V, 3-phase power. Additional features such as security cameras, alarm system, ADA-accessible restrooms, and a portable loading dock/yard ramp further enhance the property’s operational appeal for a wide range of industrial users.

The property is occupied by Alpine Motor Collection and Alpine Truck Sales, an established commercial vehicle operator with over 22 years of industry experience and four operating locations nationwide. Spun off from the highly successful parent company Diamond Truck Sales, Alpine is recognized as an industry leader in the semi-truck resale segment and has recently expanded into the specialty vehicle market, adding meaningful diversification to its platform. Alpine’s recent tenancy at 401 Glass Lane reinforces the quality and functionality of the asset while providing investors with a seasoned, growth-oriented tenant aligned with the property’s industrial capabilities and strategic location.
