Description

A prominent and iconic building in Doncaster City Centre, now available for immediate occupation. Most recently occupied by the Department for Work and Pensions, the property has been fitted to a high standard and is presented in a ready to occupy condition. The property may suit a wide range of industries requiring office space or easily adaptable into other industries such as healthcare accommodation, retail space or training facilities.

The ground floor provides a main entrance foyer with additional office accommodation beyond. This leads to open-plan office space on the first and second floors, finished to a consistent standard throughout. WC facilities and lift access are available on each floor.

Location

The Blue Building is prominently located on High Street in the heart of Doncaster City Centre, close to a range of retail and leisure amenities. The property is within walking distance of Doncaster Railway Station and benefits from excellent road links via the A630, with easy access to the M18 Motorway, connecting to the wider motorway network.
