HOME FEATURES & SPECIFICATIONS

Surrounded by mature trees with minimal visibility of neighboring homes, the setting offers a rare sense of privacy and tranquility. Mornings begin with breathtaking sunrises over the water, while evenings bring unforgettable moonrises and twinkling lake views. Beautiful in every season and at virtually every lake level, the views are a constant reminder of what makes this setting so special.

THIS ONE-OF-A-KIND RETREAT UNFOLDS LIKE A DESTINATION ALL ITS OWN.

For some, this will be a home. For others, a weekend escape or investment. But for the right buyer, it will become something even more meaningful—a place to recharge, reconnect, and exhale.

BROKER / OWNER

At Intelligent Real Estate, we don't just consider the transaction. Instead, we're driven by people. We thrive on the success of our clients, and we hand pick agents with the same philosophy. We have decades of experience and we pair the hard skills of negotiation, research, and organization with the soft skills of communication and collaboration. We listen to our clients' needs to help them reach their goals.

Intelligent Real Estate: It's the perfect juxtaposition of head and heart, where IQ + EQ = Your Success!
