PROPERTY OVERVIEW

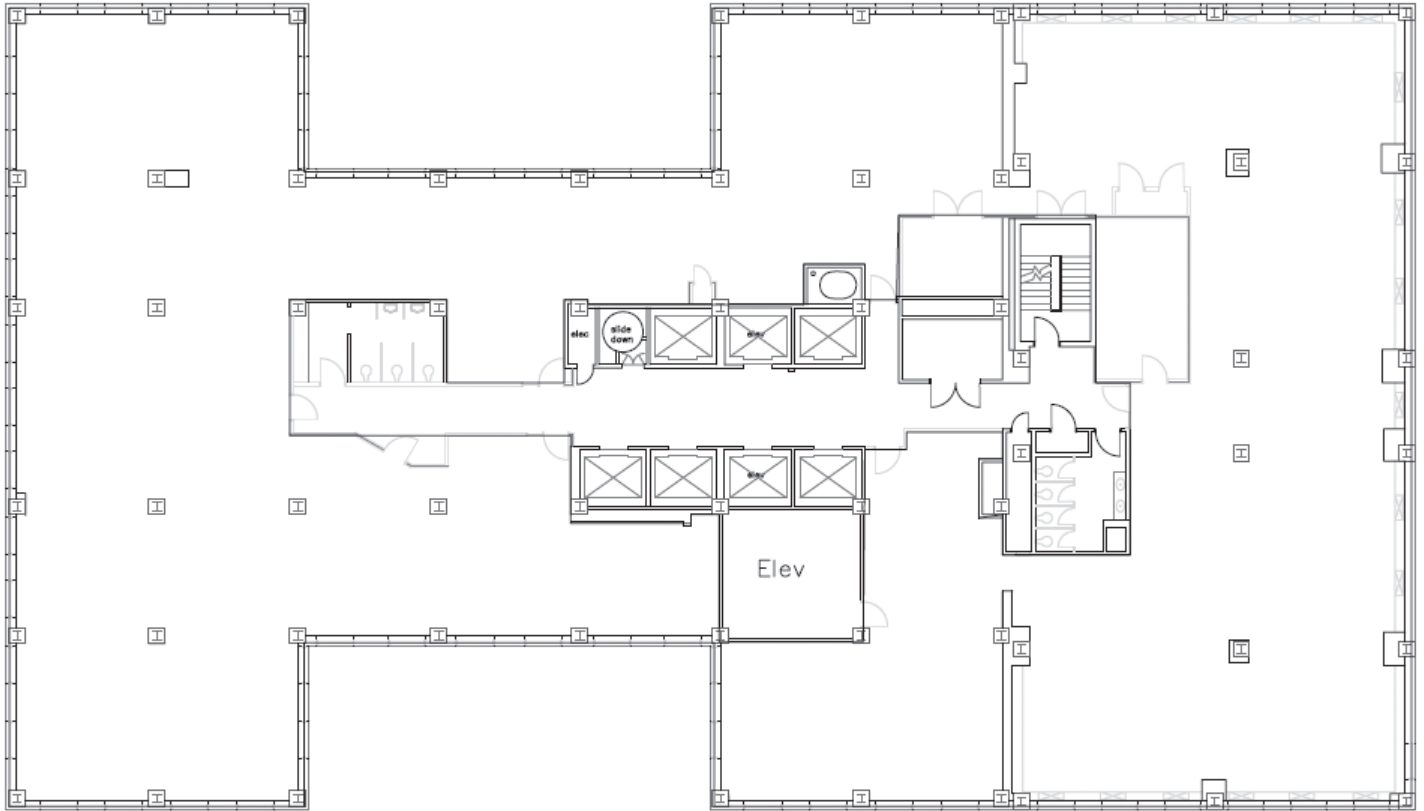

Welcome to City Place - Oklahoma's most exclusive real estate, combining residences and first-rate office spaces in one of Oklahoma City's prominent landmarks. Formerly known as Ramsey Tower, City Place was downtown Oklahoma City's first skyscraper. When it was originally completed in 1931, it was nationally recognized for its modernity and art deco-inspired style.

Today, the elegance of Oklahoma City's former gem has been restored, and City Place is again a prominent address downtown. The unique upper floors offer first-class amenities and service, including 24-hour security, vaulted storage areas, dedicated elevator services and much more.
