

220 Fifth

AVENUE

ON MADISON

PARK

Current Availability

The result is abundant natural light and views from any elevation, all of which are bolstered by an efficient, side-core floor plate with oversized windows oriented to overlook the park. Join an existing roster of leading firms from the technology, financial services, and other creative industries.

220 Fifth Avenue is elegantly situated atop the northwest corner of Madison Square Park, part of an exclusive subset of buildings with direct connectivity to Madison Square Park.

Floor Plan & Test Fits

220 Fifth Avenue offers a clean side-core configuration, extended window line, and clear lines of sight. Combined, the features provide an incredibly versatile layout that can accommodate all sorts of installations.

Incoming tenants can choose to design and construct their office or have Ownership to do so on their behalf. Floors 4 and 10 are newly prebuilt with the ability to add additional private offices and conference rooms as required.
