10812 Washington Blvd.

Ground-Floor Commercial/Retail Space

Located in a highly visible Culver City location, this approximately 1,650 SF ground-floor space offers excellent street exposure and a versatile, mostly open floor plan. It features a spacious main room, private office, smaller treatment room with sink, two bathrooms, and a storage room.

The space is suitable for a variety of office, retail, showroom, studio, and service-oriented uses. Other specialty retail uses may also be considered, subject to zoning and applicable city requirements.
