1832 AVONDALE AVE, SUITE C

1832 Avondale Avenue, Suite C presents the opportunity to acquire a fully built-out medical office condominium in one of Sacramento's most established professional office submarkets. The offering is ideally suited for an owner-user dentist or medical professional seeking an efficient, purpose-built space with long-term cost control through ownership.

The approximately 1,056 square foot condominium is configured as a dental office and features three operatories, a private office, lab and sterilization area, and two restrooms. The offering consists of the real estate only; dental equipment and furnishings are not included in the purchase price and may be available separately under a separate agreement.

The existing layout emphasizes efficient patient flow and operational functionality, allowing an incoming buyer to occupy the space with minimal reconfiguration. Centrally located just off Arden Way between Fulton and Watt Avenues, the property benefits from strong regional accessibility, proximity to retail amenities, and convenient access to major arterial roads and freeways. This offering represents a compelling alternative to leasing for practitioners seeking stability, control, and long-term equity.

PROPERTY OVERVIEW

1832 Avondale Avenue is part of a professionally managed office condominium complex comprised primarily of medical and general professional users. Each building within the complex is separately parceled and independently managed, creating a cohesive yet flexible ownership environment.

Suite C is positioned along a landscaped, skylit courtyard and benefits from a calm, professional atmosphere well-suited for medical use. The unit totals approximately 1,056 square feet and is fully improved with a dental-specific interior buildout designed to maximize efficiency within a compact footprint.
