## Zoning

### RS-8 - Residential Suburban - 8

The RS-8 district is intended to support orderly suburban residential development and redevelopment, primarily accommodating single-family homes along with a limited range of additional housing types and complementary nonresidential uses where appropriate. Development standards are designed to preserve the character and stability of surrounding neighborhoods while allowing for compatible infill and growth, with a minimum lot size of 8,000 square feet per dwelling.

Can easily be rezoned for apartments or townhomes.

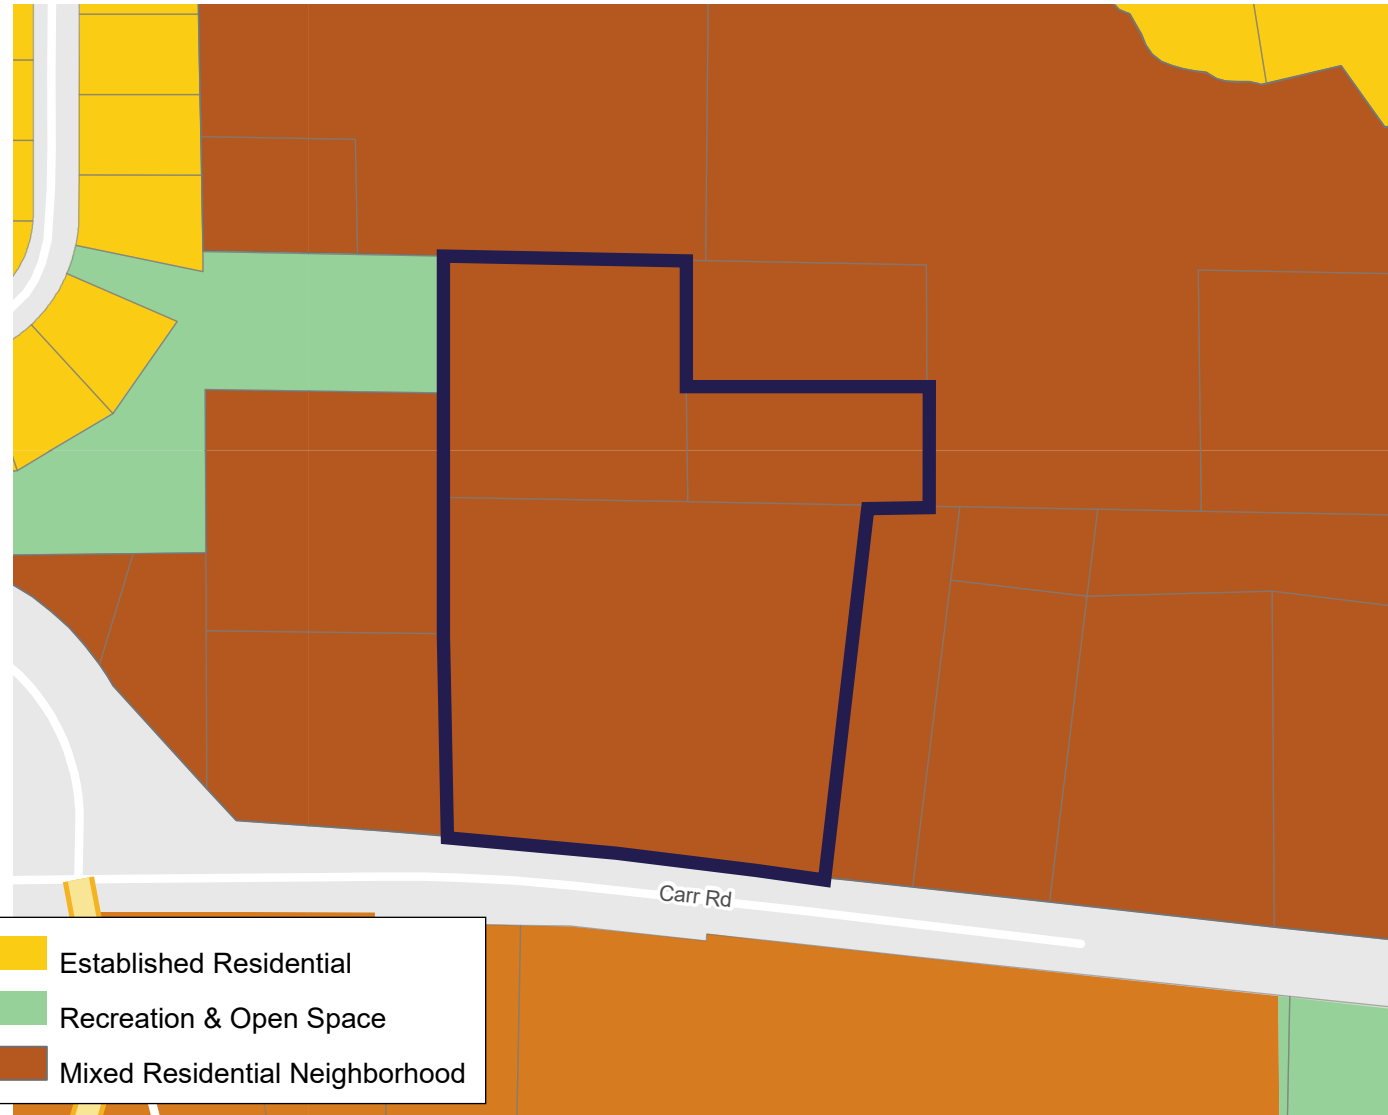

## Future Land Use

### Mixed Residential Neighborhood

Mixed Residential Neighborhood (MRN) areas are intended for new residential development that includes a variety of housing types, densities, and price points to serve a diverse population. While primarily residential, these areas are supported by nearby commercial, civic and institutional uses, along with accessible amenities such as parks, trails, and transit. Development is designed to be walkable and environmentally sensitive, with an emphasis on integrating multiple housing types throughout the neighborhood.

## Proximity Map

### Proximity to Downtown Durham

Located just a 12-minute drive from Downtown Durham, the property benefits from proximity to one of the Triangle's most active cultural, employment, and entertainment hubs. Anchored by the Durham Bulls Athletic Park, DPAC, and the American Tobacco Campus, the area hosts over 5,000 events annually, driving consistent activity and supporting long-term residential demand.

## DURHAM QUICK FACTS

### Community Profile

Durham is a historical haven, a sanctuary for the spectacular, and a rough-cut gem waiting to be unearthed. Durham's been a destination on the move for more than 150 years. Before our sidewalks were lined with award-winning eateries, they were traversed by our first generation of industrious entrepreneurs. We are where inspiration is found, where all are welcome and where the wild, wonderful, bold and beautiful come together in unexpected ways.
