Property Overview

Location

Situated in the heart of the Lake Geneva Business District, this office suite offers outstanding visibility and a prestigious business address in one of Walworth County's most active commercial corridors.

Access & Visibility

Direct, convenient access to Hwy 50 and Hwy 12 – two of the region's primary commercial arteries – ensuring high daily traffic exposure and ease of commute for staff and clients alike.

Space Configuration

The suite features a smart mix of private offices, an open work area, and a dedicated bathroom – delivering a flexible, move-in-ready environment adaptable to a wide range of business types.

Key Features at a Glance

Private Offices

Enclosed private offices provide focused, distraction-free workspace — ideal for executive teams, client meetings, or confidential operations.

Open Work Area

A spacious open floor plan supports collaborative teams, flexible desk arrangements, and modern agile work environments.

On-Suite Bathroom

A private, dedicated bathroom within the suite adds convenience and independence — no shared building facilities required.

Prime Highway Access

Steps from Hwy 50 and Hwy 12 — providing unmatched regional accessibility for employees, clients, and deliveries.

Business District Location

A recognized, high-traffic Lake Geneva address that lends immediate credibility and visibility to your business.

Move-In Ready

The space is available now and configured for immediate occupancy — minimizing downtime and build-out costs.
