

Grow your practice with Medical Co-Working at

Helping providers make the move from medicine to **ENTREPRENEURSHIP**

#### WHAT WE DO

CareSpace is a medical co-working company offering an alternative to traditional medical office space which greatly reduce overhead costs and barriers to private practice. We offer turnkey rooms with flexible lease terms. Rent the space you need when you need.

#### WHO WE HELP

CareSpace focuses on helping providers start a new practice, expand their existing footprint to meet growing demand, test new markets, or generate an additional income stream with a side business.
