Seaman, OH Overview

Dollar General is positioned at the outskirts of Seaman, strategically located near the four-lane Appalachian Highway, providing connectivity to larger regional centers including Cincinnati. The surrounding trade area draws from a broader population base across Adams and nearby counties, supporting steady retail activity. In the greater regional context, nearby Pike County includes a population of approximately 27,000 residents and over \$350 million in annual retail sales, underscoring the role of local retail centers in serving everyday consumer demand.

Demographics

Radius	Population	Median HH Income	Median Home Value
Seaman	3,070	\$73,860	\$185,000
Adams Cty	25,300	\$72,320	\$176,000
Ohio	11,860,000	\$100,000	\$277,000

Market Highlights

- High-visibility location along State Route 247
- Proximity to State Route 32 (Appalachian Highway)
- Serves a stable rural and regional customer base
- Essential retail model resilient across market cycles

STATE MAP

DOLLAR GENERAL

Dollar General is one of the largest discount retailers in the United States, operating thousands of stores across a wide range of markets, with a strong presence in rural, suburban, and small-town communities. The company focuses on providing a convenient shopping experience with a broad selection of everyday essentials, including consumables, household goods, basic apparel, and seasonal items.

From a national investment perspective, Dollar General is widely recognized for its scalable operating model, emphasizing accessible locations, efficient store formats, and consistent merchandising tailored to daily consumer needs. Its business strategy is centered on value-oriented pricing and convenience, which supports steady customer traffic across varying economic conditions.

For real estate investors, properties leased to Dollar General are often associated with single-tenant, net-leased structures that may offer predictable occupancy and streamlined management responsibilities, depending on the specific lease terms. As with any investment, prospective buyers should evaluate the individual lease agreement, location characteristics, and market conditions when considering an acquisition.
