MOVING FROM LEASED SPACE OR CONSIDERING BOTH SERVICED AND LEASED

Here are some further savings to consider

No legal fees required

Our Ts and Cs are just 2 pages and written in plain English so no long leases requiring a solicitor.

No office fit out costs

Our offices are ready for you to move into with plug and play ready internet.

Reduced repair costs

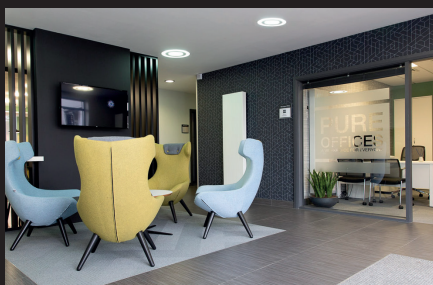

No hefty and unknown dilapidations settlements – we just ask you to reinstate any alterations, damage or disrepair when you leave.

Less space = Less rent

Having shared facilities like kitchens, lounges and meeting rooms means you may need less private space for your business, giving you a further rental saving.

No paying for space you don't need

Our licences are flexible as standard, meaning you can change your office as your business needs change.
