

# PROPERTY SUMMARY

## PROPERTY DESCRIPTION

Building 1 offers approximately 7,500 SF of gross leasable area across two levels (3,750 SF per floor) and features a full office buildout including 13 private offices (9 downstairs, 4 upstairs), open workspace suitable for cubicles or storage, a kitchenette, restrooms, and a dedicated server room. The building is fully climate controlled and equipped with an elevator for convenient access between floors.

Building 2 consists of 3,200 SF of climate-controlled space and includes two private offices, providing additional office or operational workspace.

Building 3 contains approximately 3,000 SF and includes five private offices, a server room, kitchen, and restrooms, along with a 20' x 30' warehouse section equipped with a 10' x 10' overhead door. The building is fully climate controlled, offering a functional combination of office and light warehouse space.

Building 4 provides approximately 3,000 SF of warehouse space and features three 10' x 12' overhead doors, allowing for efficient loading, storage, or service operations.

The property also includes secured parking, a fenced yard, and security camera coverage. A 6,200 SF former building pad located at the front of the property provides potential for future expansion or additional construction. This configuration is well suited for owner-users, contractors, service companies, technology firms, or businesses requiring a mix of office, warehouse, and secured outdoor storage.
