PROPERTY DESCRIPTION

The suite features a welcoming reception desk with a spacious waiting area, multiple treatment rooms, and efficient back-of-house support spaces. Three treatment rooms are equipped with sinks, complemented by two additional sinks located in the central open area (see floor plan), providing excellent flexibility for clinical or service-oriented users. The suite also includes two private offices, a dedicated IT closet, and a private in-suite restroom.

Located on the first floor for convenient access, the space offers a polished, move-in-ready environment with existing infrastructure that can significantly reduce build-out time and cost for medical or office users.
