0.48 Acres of Commercial Land Richfield Utah

0.48-acre commercial lot located on Richfield's Main Street in a well-established business corridor. This property sits in a highly visible location with steady daily traffic and strong surrounding businesses. Nearby neighbors include a bank, the hospital, city park, and IFA Country Store, bringing consistent activity to the area. The lot is level and ready for development with commercial zoning that allows for a variety of potential uses, including retail, office, service, or other business opportunities. Its central location provides easy access for customers and strong signage exposure along one of Richfield's main thoroughfares. Opportunities like this are getting harder to find in Richfield's core commercial district. Whether you are looking to build a new business location, expand an existing operation, or invest in a well-positioned commercial property, this lot offers excellent potential in a prime location.
