Description

The Pavilion is a detached self-contained office building that was completely rebuilt in 2000 of a timber frame structure with timber cladding externally under a pitched tiled roof. The office is set within the Ashlyns Hall Estate comprising approximately 13 acres of land with a complex of offices, an elderly care home and a children's day nursery, with the original building being a Grade II Listed mansion dating from circa 1802.

The building itself is mainly laid out at ground floor level with spiral staircases leading to 2 gallery areas. There is comfort cooling, male and female WC's, a kitchen fitted with plumbing for a dishwasher, double-glazed timber casements and plenty of natural light with full height ceilings. Heating is gas-fired. There is also LED lighting, and Cat 5 cabling with pre-wired floor boxes.

Location

The Ashlyns Hall Estate is immediately adjacent to the Chesham/Berkhamsted turning of the A41 which leads to J20 of the M25 only 13 miles away to the east, as well as to Aylesbury in the west. There is a mainline railway station in the town on the Silverlink line to London (Euston) with a regular service in a best time of around 29 minutes. When entering the Estate take the left fork with signs to 'The Pavilion'.
