RE: No Further Action Required for Underground Storage Tanks at Former Empire Inc. 427
Troy Road Moscow, Idaho

Dear Mr Castellaw,

We have searched our Underground Storage Tank (UST) Data Base and found the following:

- Empire Inc. USTs were removed in 1991.
- No evidence of a leak detected.
- Site assessment was completed.

Therefore no further action is required for the tank removal. If you have any questions please contact me.

Sincerely,
