Establish a growing business within a quiet, clean, and secure work environment with the move-in-ready office spaces available at the Southwest Office Building, located at 6720 Sands Point Drive. Featuring extensive recent upgrades and an easily accessible location in Southwest Houston, these versatile spaces provide the perfect solution for a wide range of medical research, tax accounting, security firms, technology and software, financial investment offices, and more.

The Southwest Office Building offers a proven history of success, with a high-performing roster of long-standing co-tenants. The available spaces range from 327 to 1,850 square feet, allowing both small teams and established operations to find the perfect place to grow. All the suites enjoy rich natural lighting from large windows and have been recently upgraded to include modern interiors with porcelain tile in the common areas, bright LED lighting, updated bathrooms, art fixtures, and fresh painted walls. Situated on a beautifully landscaped, fenced lot with 24/7 controlled access and abundant parking, the highly secure property also ensures peace of mind for tenants.

Businesses will benefit from enhanced regional connectivity thanks to the property's convenient proximity to major highways, including the 69 Freeway and the Westpark Tollway. This easily accessible location allows for simplified commutes and easy access to many of Houston's top destinations, including NRG Stadium (15 minutes), Downtown (16 minutes), and William P Hobby Airport (28 minutes). Additionally, the Texas Medical Center is reachable in just 19 minutes, providing endless opportunities for collaboration and referral for medical tenants. Immediately surrounding the property, employees will be able to access a wealth of quality amenities, including national brands like Starbucks, Chick-fil-A, Chipotle, and Shipley Do-Nuts.

Creating a climate of success, businesses at the Southwest Office Building can tap into a valuable, skilled labor pool within just 3 miles of the property. The area is home to a significant workforce of more than 157,000, with over 35% of residents carrying a bachelor's degree or higher. This highly educated population ensures access to qualified talent to fuel future growth and expansion.

Don't wait, as these highly functional spaces will not last long. Contact Alicia Church today to schedule a tour and learn more about all the benefits of this incredible property.
