CBRE

A smart location
for business.

Mesa Grandview Business Park is a LEED-certified park that offers innovative industrial project design with modern architecture and site features expected by the most discriminating companies. As the second-largest city in metropolitan Phoenix, Mesa is larger in population than Miami, Atlanta or Minneapolis. Boeing employs over 4,000 in Mesa, and Apple opened a \$2B global command center there in 2018.

DEVELOPER INITIATIVES

SIHI has a well-established reputation for excellence in shaping commercial properties in the Southwest. They take pride in envisioning and developing real estate that provides enhancements for today's businesses and sustainability well into the future.

Smart locations need smart features. Join SIHI in being a part of tomorrow.

SolarFit

Power your future with rooftop energy under the SIHI solar initiative, SolarFit.

Occupants can embrace sustainable energy consumption and reduce their carbon footprint, all while enjoying a predictable electric bill **without any required capital cost.**

HOW IT WORKS: Under a separate solar equipment lease agreement, SIHI builds and maintains a rooftop solar system, allowing occupants to offset a significant portion of local energy consumption.

ChargePoint

- Latest generation of Level 2 commercial charging stations
- Per Building: 4 bollard-style stations with 2 charging ports each
- 240V | ±25 miles of range per 1 hour of charging^[1]
- ChargePoint is the first ENERGY STAR Certified EV charging system
