ABOUT CHAPPELLE

Chappelle is one of Edmonton's fastest-growing neighbourhoods, and it is part of the larger Heritage Valley area, home to roughly 63,000 people and expected to reach about 96,000.

In 2024, over 75% of all new home permits in Edmonton were issued in this corridor. New schools, a major district park, and the LRT extension are all being built to keep up. With homes going up faster than local services, demand for professional office space continues to grow.
