About NORTHTECH

NorthTech I and II are located conveniently just west of MoPac Expressway on Howard Lane in a Class A master-planned eight building commercial park built in 2000. The buildings offer great visibility and signage opportunities due to frontage on Howard Lane and their location at the entrance of the commercial park. Tenants will be pleased with the buildings' drive-up appeal, parking, truck-court capabilities and efficient floor plans. Access to SH 45, MoPac Expy, and Hwy 183 is minutes away making NorthTech one of the most strategically located flex projects in the Austin market. The property is home to notable tenants such as Amazon, and is in close proximity to many others like Oracle, Google and Apple.
