- High ceilings & flexible zoning allow for multiple entertainment venue or redevelopment options

DETAILS

Cinergy Dine-In Cinemas is a premier entertainment anchor located within Wheeling Town Center, a \$110 million mixed-use development in downtown Wheeling, Illinois. Built in 2020, the venue features seven screens, 626 luxury recliner seats, in-seat dining, a full-service bar, lounge amenities and premium cinema technology, creating a modern experiential entertainment destination.

Beyond traditional ticket sales, the property benefits from diversified revenue streams including food and beverage, concessions, gaming, private events and specialty programming. As the only operating movie theater in Wheeling, it serves as a regional draw for residents and neighboring affluent northern suburbs alike.

The site is positioned within a walkable downtown environment featuring retail, restaurant and entertainment space, alongside a 300+ unit luxury residential community. The Metra station and Heritage Park, both adjacent to Wheeling Town Center, generate consistent foot traffic from residents, commuters and visitors year-round. Supported by strong demographics, built-in daily traffic, and a multi-revenue entertainment model, this property offers a unique opportunity to acquire a modern anchor asset in one of Chicago's established suburbs.

LOCAL INFORMATION

Located in Chicago's northwest suburban corridor, Wheeling benefits from an affluent population, strong household incomes and a diverse consumer base that supports retail, dining and entertainment demand. Wheeling Town Center serves as the community's central gathering place and a key destination within the market. The walkable, transit-oriented development benefits from built-in residential density, direct Metra access and consistent year-round traffic generated by retail, restaurants, community events and nearby park district amenities.
