Tourism

Kill Devil Hills, the oldest official town within the Outer Banks, is found in the middle of the Outer Banks. With top tourist attractions like the Wright Brothers National Memorial, where man first took flight, and Jockey's Ridge State Park, where visitors can ride ATVs, hang glide, or sandboard over large sand dunes, it's no surprise Kill Devil Hills is known to be the most popular town on the Outer Banks. The bustling tourist town also has over 7,600 residents, making it the largest populated town on the Outer Banks. The economy employs over 4,000 people across various industries with a median household income of \$59,389. The town, along with the rest of the Outer Banks, has seen a great migration during COVID and it is expected to continue for years to come.
