

Sunset Amphitheater – coming 2026

- 46 AC site at the northeast corner of U.S. 75 and S.H. 121
- **\$300 million entertainment destination** breaking ground in 2025, designed to host over 250,000 visitors annually
- The venue will seat up to 20,000 at full capacity and accommodate roughly 5,000 in a multi-season configuration
- Expected to generate over \$3 billion in impact within the first decade
