NEWBERG INDUSTRIAL PARK - An excellent location:

500 E Illinois Street, Newberg, Oregon is located in a suburban area in Yamhill County approximately 20 miles southwest of downtown Portland, Oregon. The area consists of single-family homes, multi-family apartment complexes, and significant commercial/retail and medical (Providence hospital) uses along Highway 99W. Newberg is home to George Fox University - Oregon's largest private university. It is a fast growing, dynamic community that is known for it's high quality of life as well as a large skilled workforce. The property is well situated near to Highway 219 & south of Highway 99W, which provides the main commercial and transportation arterial in the city. Highway 99W provides access to the city of Sherwood & Portland to the east and the city of McMinnville & Salem to the southwest. I-5 freeway is 12 miles to Donald and 13 miles to Tualatin.

The location and existing infrastructure and the tax-benefit opportunity of the Enterprise Zone offer exceptional flexibility for industrial users, manufacturers, and institutional investors.

LOCATED IN CITY OF NEWBERG
"ENTERPRISE ZONE" - TAX OPPORTUNITY

The 5.59 acre property is:

- 25 miles east to **Portland** via Highway 99W.
- 2 minute north of Highway 99W via E. College Ave.
- 20-45 minutes east to Portland, Hillsboro and Cornelius
- 20 minutes to **I-5 freeway**.
- 15 minutes west to **McMinnville**, Oregon.
- 10 minutes to Sherwood, Oregon
- 5 minute walk to **George Fox University**
- Newberg is located in Oregon's renowned **"Wine Country"**.
