LOCAL EXPERTISE MATTERS

#not in my city

OWN YOUR SPACE AND OFFSET YOUR COSTS

The layout allows for a natural demising plan, making it easy to create two functional units with separate entrances.

This offers the rare flexibility to **occupy what you need and lease out the balance** for additional income.

Perfect for business owners who:

- » Want to stop paying rent and build equity.
- » Don't need the full space immediately.
- » Like the option of rental income to reduce carrying costs.

Whether you're growing into the space or investing for cash flow, this property gives you control and flexibility.
