PROPERTY OVERVIEW

This multi-tenant office property offers in-place income in a central Rapid City location, just off Mount Rushmore Road near St. Patrick Street. The 4,482 SF building is divided into three suites, with two tenants in place and one vacant suite that can be leased for additional income or used by an owner.

The layout supports a mix of private offices and open work areas, with shared access between spaces, allowing it to function as either a multi-tenant asset or a larger user footprint. The building includes three separate entrances, including an ADA-accessible entry. A basement level provides additional storage and utility space to support day-to-day operations. Recent capital improvements totaling over \$139,000 include a new roof, parking lot asphalt, and mechanical updates.

The remaining 720 SF vacancy provides a clear path to increasing income or accommodating an owner-user. The owner will sign a master lease for the full property for two years, if desired.
