PERRY PKWY
PERRY, GA

Property Overview:

Positioned along Perry Parkway, one of Perry's primary commercial corridors, Tract A (7 acres) and Tract B (7 acres) , totaling 14 acres, offers a highly strategic development opportunity in a rapidly expanding retail and mixed-use market. The site benefits from traffic counts exceeding 12,500 VPD, providing strong daily exposure and accessibility.

Located less than 0.25 miles from the new Super Kroger site, the parcel is ideally situated to capitalize on the area's accelerating commercial growth, increased consumer draw, and expanding residential base. The property's proximity to major retail anchors, combined with its frontage and visibility along Perry Parkway, makes it well suited for a wide range of commercial, retail, service, or development uses. This tract represents a compelling opportunity for investors, developers, or end users seeking a high-visibility site in one of Middle Georgia's most active and desirable growth corridors.
