

Purdue Research Park's

Vistech Building

1435 Win Henschel Blvd, West Lafayette, IN

About Vistech

Constructed in 2002, this 73,000-square-foot building is the first multi-tenant facility designed specifically for high-tech firms by private investors in Purdue Research Park.

Classified as “Class A” technology space, it offers an exceptional opportunity for businesses to partner with Purdue University, just a 5-minute drive from campus.

Vistech Building

1435 Win Hentschel Blvd
West Lafayette, IN

Vistech Features

The facility features ample parking, a high-speed passenger and freight elevator, a card access system, a shared conference room equipped with A/V technology, a locker room with a shower, and two kitchenettes. Fiber Optics are available as well as full video conference capabilities.

Recent renovations to the common areas create an inviting environment ready to support your business's growth. Additionally, spaces can be built out to suit tenant needs, providing flexibility for your specific requirements.
