## INTRODUCTION

The Cree's Inn is a traditional licensed premises set in the Perthshire village of Abernethy. The village lies approximately 8 miles south of Perth and is one of the main roads leading to Fife. The Cree's Inn is the only licensed premises in the village and its availability offers a fantastic opportunity for a hands-on operator to own and run their own business.

The Cree's Inn offers a substantial restaurant and lounge bar area with a magnificent hand-made elm bar servery. There is also the snug area which, in the past, has been used as the breakfast room for residents. At first floor there are 4 well presented en-suite letting bedrooms. In addition there is also substantial owner's accommodation comprising 3-bedrooms, lounge and large kitchen. Externally, The Cree's Inn has ample seating to the front as well as a large beer garden to the rear. There is also private car parking located across from the beer garden.

The sellers have, successfully, owned and operated the business for 8 years and due to personal reasons have shut the business, since the end of 2023. The Premises Licence remains in place.

Given the size of the building and extensive accommodation there may be a possibility of conversion to residential properties
