

33-24 NORTHERN *Blvd*

For Sale / Lease

The Offering

Lee & Associates NYC is pleased to present exclusively for sale or lease the retail building located at 33-24 Northern Boulevard, Long Island City, NY (the "Property"). Positioned along one of Queens' primary commercial corridors, the Property offers exceptional visibility and benefits from strong vehicular traffic in a rapidly growing neighborhood.

The Property consists of approximately 35,000 square feet across 7 stories, with efficient ~5,000 square foot floor plates, in addition to a ~5,000 square foot basement and a ~1,000 square foot superintendent's apartment. The layout provides flexibility for a wide range of retail, showroom, office, or mixed-use uses. The building presents a unique opportunity for an investor to acquire and reposition a full-building asset or for an end user or tenant to establish a flagship presence in Long Island City.

33-24 Northern Boulevard represents a rare opportunity to control an entire building in one of New York City's fastest-growing submarkets, with close proximity to major transportation routes and a surging residential population driving continued demand.
