CARMEN LOOP INDUSTRIAL

INDUSTRIAL OWNER-USER OPPORTUNITY

The offering consists of a 14,200 square foot standalone industrial building situated on 0.82 acres in Bend’s American Loop Industrial Park. The property features warehouse space with upgraded power, multiple grade-level roll-up doors, fenced yard areas, and flexible configurations suited for a wide range of light industrial, manufacturing, fabrication, and service-oriented users.

The building is leased through September 30, 2026, providing near-term income with future potential for owner-user occupancy or repositioning. With convenient access to SE Reed Market Road, one of Bend’s primary east-west corridors, the property offers strong connectivity to U.S. 97, the Bend Airport, and the surrounding eastside industrial districts.

The site layout supports efficient operations with separation between office and warehouse areas, while the secured yard accommodates equipment storage, fleet parking, and outdoor use. Upon lease expiration, the property is well suited for an owner-user seeking long-term control of a centrally located industrial facility in Bend.

The adjacent property at 20680 Carmen Loop (11,490 SF) on 0.50 acre is also available for sale at \$2,872,500, offering a potential opportunity to expand into a multi-building industrial campus.
