PROPERTY OVERVIEW

SVN Northco is pleased to present an expansive industrial outdoor storage property located in the heart of Columbus, MN. available for lease is roughly 14 acres, providing ample room for an industrial yard or lot. The space is currently being fully improved and graded to accommodate outdoor storage of anything from equipment and trucks to materials. The owner will grade the site, add gravel/class 5 surfacing to stabilize the yard for truck/trailers, add lights, power plugins, video surveillance and other amenities to suit the future tenant.

The site's zoning further enhances its attractiveness, boasting favorable Commercial/Industrial designations. This zoning aligns with the property's current industrial usage and provides the foundation for a dynamic industrial hub or facilitates seamless integration into Columbus's commercial landscape.

PROPERTY HIGHLIGHTS

- Expansive industrial outdoor storage property located in the heart of Columbus, MN
- +/- 14 acres providing ample room for an industrial yard or lot utilization

PROPERTY DESCRIPTION

EXTERIOR DESCRIPTION

The lot surfacing will consist of crushed concrete and gravel providing a durable and stable foundation that speaks to the property's robust functionality and design. Any improvements, lot stabilization, fencing, screening, lighting, security, surveillance systems etc., will be built to suit any incoming tenant, to their precise specifications.

Securing the front half of the property is a robust fencing system, providing both a visual delineation and a secure perimeter. The inclusion of a gated entryway further fortifies the site's security measures, controlling access and reinforcing a controlled and well-managed environment. This deliberate front-half fencing serves not only as a security feature but also as an organizational element, delineating distinct zones within the property.
