Property Highlights

The Oddie District is an urban infill redevelopment project on Oddie Boulevard in Metro Reno / Sparks, Nevada. The project is the deconstruction of a former Lowe's and re-construction of a ±200,000 SF innovation hub featuring a 300+ seat food & beverage / retail marketplace, The Oddie Commons. It's located 10 minutes from the Reno-Tahoe International Airport and 7 minutes from the University of Nevada, Reno.

The Oddie District is the catalyst for a community-centric economic and cultural resurgence.

Anchored in cultural relevance by The Generator, a maker space community including celebrated Burning Man artists and engineers, and The Innovation Collective, a collaborative workplace business accelerator engaged in human capital investment.

The Generator, a nonprofit makerspace collection of celebrated artists and engineers from Burning Man and the greater Reno/Sparks community, is the cornerstone and largest tenant in The Oddie District, in 62,000 SF of the building. Artwork created at The

Generator will be displayed in an Art Park on the east side of the project. "The Generator is a cultural icon of Reno/Sparks; to provide it a long-term home, to surround it with working environments for design, engineering and production companies and to build together a broad culture of innovation and creation will be great for Sparks and for the region," said Doug Wiele, the President and Founding Partner of Foothill Partners, Inc.

61 OPPORTUNITY ZONE DESIGNATIONS

In June 2018, 61 of Nevada's low-income census tracts received official designation as Qualified Opportunity Zones (QOZ) by the U.S. Department of Treasury and the IRS. The tax incentives reduce taxes on realized capital gains that are quickly reinvested into these designated census tracts by providing three benefits:

-  The deferral of taxes
-  A reduction in taxes by 10 to 15 percent
-  The exclusion of capital gains tax on appreciation if held for 10 years
