* SITE PLAN

Your neighbors here are doing interesting things. Like, genuinely interesting. SOVA is a growing district of life science companies – the kind of place where a hallway conversation turns into a collaboration you didn’t see coming. Introduce yourself. It tends to go well.

* AVAILABILITY

ROOM TO START. ROOM TO SCALE.

Just getting started? We've got flexible space for that. Growing fast? We've got room for that too. SOVA works for the scrappy early-stage team and the established company that's outgrown everywhere else.

Wherever you are in the story, there's probably a space here that fits.

THE PATIO. THE PULSE.

Everything at SOVA orbits The Patio.
Coffee to start the day. A gym to reset it.
Tacos when you've earned them. A brewery
when you really have.

It's outdoors, it's central, and it's surrounded
by the kind of amenities that make people
actually want to come in.

All of this is on campus. Yes, seriously.

SOMEONE'S ALWAYS THINKING AHEAD.

We've got a tenant experience program – which sounds corporate, but isn't. Think curated events, useful perks, and a team that's quietly making sure your time at SOVA is worth more than your square footage.

Meet Shelly, your onsite Elevate Concierge. Shelly is passionate about delivering white glove hospitality and creating meaningful connections and special moments. Her favorite event at SOVA is the Buzz Bash in celebration of Earth Day. We partner with a local artisan to explore the benefits of bees and honey, and to create custom beeswax salves.

There's usually something good on the calendar. Check it out before you make other plans.
