Description:

Highly established, licensed cannabis retail operation available for acquisition. The business is professionally managed, requiring minimal day-to-day involvement from ownership. It consistently generates strong and growing revenues with solid net profitability.

The offering includes all fixtures, furnishings, technology systems, and current inventory. A full information package with detailed financial and operational data is available after signing an NDA.

This is a unique opportunity to step into a turnkey, profitable business.

Reason for Selling: Seller moving toward retirement.
