Local Ownership & Community Connection

For more than 20 years, G3 has built a strong reputation as a Northern California-based owner with deep market expertise and enduring tenant relationships. That foundation informs a disciplined real estate strategy aligned with local demand and long-term community growth.

Proven Execution Track Record

G3 has a demonstrated track record of delivering development projects on schedule with disciplined cost management. Long-standing relationships with trusted local contractors, suppliers, professional service providers, and municipal agencies enable G3 to efficiently navigate complex entitlement processes and secure necessary approvals.

Long-Term Investment Philosophy

G3 invests with a long-term ownership perspective, focused on sustainable growth and enduring value creation for tenants and the communities it serves.

Management Approach

G3's dedicated in-house real estate team manages day-to-day operations directly ensuring responsive service, proactive solutions, and strong tenant relationships built on clear communication.

Operational Flexibility & Integrated Support

G3 offers flexibility beyond traditional property ownership. To help meet operational needs, G3 can provide value-added services such as third-party logistics and transportation solutions to support tenant operations. This integrated approach allows G3 to respond creatively to tenant needs and align real estate solutions with operational requirements.
