TOURS

GUIDED WATER HIKE | OAK CREEK CANYON

Carved over millions of years by the flowing waters of Oak Creek, the canyon's towering sandstone cliffs, lush forests, and crystal-clear pools create a refreshing oasis unlike anywhere else in the Southwest. Wading through cool, shallow sections of the creek, you'll experience the canyon from a unique perspective while surrounded by breathtaking scenery.

Your knowledgeable guide will lead you along a carefully selected route, sharing fascinating insights into the canyon's geology, wildlife, native plants, and the rich history and culture of the Sedona region. Along the way, discover hidden swimming holes, peaceful creek crossings, dramatic rock formations, and shaded groves of towering sycamores and ponderosa pines. There will be ample opportunities to relax, capture unforgettable photographs, and fully immerse yourself in the sights and sounds of this remarkable wilderness.

Designed for adventurous families, couples, and outdoor enthusiasts alike, this guided experience offers the perfect balance of exploration, education, and relaxation. Whether you're seeking a refreshing escape from the desert heat or an unforgettable way to experience Oak Creek Canyon, this tour provides an authentic connection to one of Sedona's most treasured natural wonders.
