Parcel ID# 35-23-27-0000-00-003

The Reams Road townhome development site located in highly desirable Windermere is ideal for a successor builder/developer who can finalize permitting and commence site construction of this 4.80 (+/-) acre, fully entitled site, for a twenty-one unit luxury townhome community less than 1 mile from Walt Disney World! The project is Permit and Pad ready for site work by August 2026. Truly shovel ready!

The Architectural drawings are 80% completed for you to revise and build this 3-story upscale townhome community. In addition to site approvals, permits and all needed property assessments, the current owner can provide drawings of 2,100+ SF, three story town homes featuring 4 bedrooms, 3.5 baths and include an oversized en-suite and first floor flex space. The building lay-outs include a two-car rear attached garage in each unit and no back-to-back neighbors! Comparable finished townhome products in Windermere and the western suburbs of Orange County are selling in the high \$500,000 to high \$600,000 range.

The site is located near the attractions in the western side of high-growth Windermere, FL. The property is less than 2 ½ miles from Winter Garden-Vineland Road to the east and less than 3 ½ miles to the new Orlando development areas of Horizon's West and Winter Garden (and the 429 Expressway) to the west. The property is less than ¾ mile from Disney's business and employee entrance on Floridian Place.
