WELCOME TO THE
BOISE MSA

The Boise Valley is home to Idaho's capitol and serves as the center of commerce, politics, population, cultural events, and the blue field that personifies the Boise State Broncos. As a high desert community resting at the foot of the mountains, it is surrounded by thriving bedroom communities rich in their own histories and economies, bringing the metro area population to approximately 845,864. Experts estimate the MSA population will exceed 1,075,000 by 2050.

Although Idaho is world famous for its agriculture, it has an equally vibrant economic environment for high-tech, healthcare, education, transportation, service, tourism, and retail industries. Many nationally and globally recognized corporations have a home in the valley, including Micron Technology, Hewlett Packard, Amazon, Albertsons, J.R. Simplot Company, MotivePower, Materne, LambWeston, and many others.

Forbes consistently ranks the Boise Valley as one of the top places in the country to not only do business, but also for raising a family, entertainment, recreation and its high quality of life.

The economy is diversified, with key sectors including: Government, Healthcare, Higher education, Manufacturing, Software, Retail, Transportation and Warehousing. St. Luke's Health System (16,000+), Walmart (9,000+), Saint Alphonsus Health System (6,000+), Albertson's (5,500+), Micron Technology, Inc. (5,500+), Boise State University (5,000+), Amazon (5,000+), West Ada School District (4,500+), Boise School District (3,000+), and J.R. Simplot Company are the MSA's top private employers.
